

1. Parking

Finding parking downtown can be tough and frustrating. These are the most convenient and cost-effective options when visiting our office.

- Street parking down Market St (metered spots)
- Surface Lot behind our building down W Wabash St (Access off of Illinois, turning left immediately following the Hilton)
- 101 W Ohio Garage

2. Building entrances

Our main entrance is at the front of the ISTA building on the corner of Market and Capitol. It is right next to the Hilton garage.

We also have a side entrance off of Capitol St that is connected to The Educated Sandwich. If you enter that way you'll pass the building security guards to go to the elevators.

Indianapolis, IN 46204**

3. Take the elevator to the seventh floor

There are two sets of elevators - it does not matter which set you take.

If you're coming from the Capitol St entrance near The Educated Sandwich, you'll have to walk down the hall once you get to the seventh floor until you see Suite 700.

4. Check in

Once you've arrived, ring the bell under the nameplate.

You'll most likely be greeted by our Office Manager, Amy, or another one of our consultants in the office.

We look forward to having you here at CSpring!
